

GEARBOX[®]

PART #09281--FORD F150 SUPER CREW INSTALLATION INSTRUCTIONS

Congratulations on your purchase of the Husky Gear Box. The Gear Box is designed to fit under the rear seat of your truck or SUV. The Gear Box gives you a place to store loose items and clutter and ultimately help keep your vehicle organized. It's designed to fit your vehicle with or without your Husky Liners in place and only takes a few minutes to install.

PACKAGE CONTENTS

Gear Box – Part No: 09281 (1)
Divider (1)
Safety Strap with Strap Lock (1)
Installation Instructions (1)

INSTRUCTIONS

- 1) Open and remove the Gear Box from the shipping box.
- 2) Lift the rear seats into their upright position (see Figure 1).
- 3) Position Gear Box in vehicle as shown below (see Figure 2).

Figure 1

Figure 2

4) Loop safety straps through slot located in the back wall of the Gear Box (see Figure 3).

Figure 3

Figure 4

Figure 5

5) With Gear Box in place, feed the loose end of the safety straps through the rear seat brackets as shown above and then into the strap lock, pulling the strap tight. Finally, fasten lock and pull firmly on the strap to make sure the strap and the strap lock have been properly fastened (Figures 3).

6) Install the divider and you are ready to organize (see Figure 4 & 5).

If you are storing long items it may be necessary to remove the divider. Also, small loose items can potentially roll around and become annoying. Simply place these items in a rag, towel, etc... roll them up and place them in the Gear Box.
